## WORK EXPERIENCE

---

### **Warehouse Associate, Volt**

July 2024 – Present

As a warehouse Associate, I did various task as Order Picker and Wiring Tech. As an order picker, I retrieved items from storage to fulfill customers orders. I picked orders safely and securely and ensured the quality is accurate before prepping it for delivery. And, as a Wiring Tech, I maintained and installed wiring systems, telecommunications, and data cables. And with this position, I am crane, electric pallet, and scissor lift certified.

### **Order Picker, Ingram**

November 2023 – July 2024

As a warehouse Associate, I did various task as Order Picker. As an order picker, I retrieved items from storage to fulfill customers orders. I picked orders safely and securely and ensured the quality is accurate before prepping it for delivery while using a RF Scanner.

### **Warehouse Order Picker/ Warehouse Order Packer, Ranstad**

August 2023 – October 2023

As a warehouse order picker/ packer, I ensured customers orders for accuracy, which included loading and unloading, and i performed inventory control counts and cycle counts while keeping my work area clean and organized.

### **Customer Service Associate, Super Target**

February 2023 – August 2023

As a Customer Service Associate, I calculated customers inquiries to the appropriate department when needed. Research and stay up to date with company products, services, and processes. Keep track of customer service accounts and relevant data. Recommend process improvements and identify new product and service opportunities based on customer needs.
