amanda.s.ascencio@gmail.com

I am dedicated professional with a strong background in animal care and laboratory assistance. At SBA, I effectively handled chemicals and supported forensic labs, showcasing my understanding of anatomy and physiology. Trilingual communicator, adept at fostering relationships and ensuring safety, with a proven ability to maintain clean and organized environments.

Skills

- Anatomy and physiology understanding
- Trilingual (Native language spanish, fluent in both french and english)
- Microsoft Excel and PowerPoint

Professional Experience
